Retirement Party for Professor Dennis Fan x RAINBOW Summer Buffet @ Hotel ICON

Our 1st cross-year networking buffet dinner – Sponsor from our generous alumnus, **William Hon**, who has connections with **Hotel Icon** to provide **50%** discount offer (a great deal 😊) for us to enjoy free-floating buffet dinner together!

And some of you may know our dear **Professor Dennis Fan** will retire soon, we would like to co-host this as his **retirement party!**

For those who not familiar with Professor Fan, he was program director and program co-director of QFIN. He is now Associate Dean (Undergraduate Studies) of CUHK Busines School.

This would be a great opportunity for us express our gratitude towards the contribution of Professor Fan to the success of QFIN Program.
